SHORT

1	Katherine Brown	NATO	W45	29	49	100
2	John Crosby	NATO	M70	42	40	70
	T Rocca + J McDonald	IND		Found 13		
Organiser						
	Alasdair Wilson Craw					77

Thanks to all that came. It seemed that all of you enjoyed the experience despite the small, and in some circumstances difficult to see, unconventional control markers. We underestimated the number of Long maps so apologies to Martin and Iris who used a marked up "all controls" map instead; so Iris, who mistook where 13 should have been, is awarded a discretionary 10th

Alasdair Wilson Craw, Planner

League update and RouteGadget will be available late Wednesday
