

It is with great pleasure as my first duty as Chair of the NEOA to announce the 2019 North East Champions. I'd like to take this moment to thank everyone who turned out to such a fantastic weekend that saw a huge 349 entries across the two days in Hexham. There was obviously a lot of work that went on in the lead up to this event to raise such awareness of it, and to everyone's commitment on the day to making it such a success.

I did turn up late for the event and for those of you that know me, it won't come as a surprise that it's because I got lost. I look forward to meeting more and more competitors over the next 12 months. Come and say hello if you see me.

Congratulations to everyone named below who have become the 2019 NE Champions!!

Kind Regards

Kay Clark
