#### Statement by the current chairman: Adrian Barnes:

"Some of you may already know, I will be standing down from the role of Chairman at this year's AGM. There are a couple of reasons. The last two years' illness have been very hard and I now feel fairly drained and in need of a rest. In addition to that, it's probably time for a fresh approach and some new ideas. Please consider whether you have the drive and ideas to steer the club. It's not a particularly time consuming role (unless you want it to be) but requires a willingness to formulate and sell a policy for the direction of club activities and a bit of coordination of the various other club officers. My policy has been the promotion of a full series of events for our club members as a foundation for expansion and I know it has been a struggle ensuring we have the officials necessary for this. You may feel that is still the correct way to continue or you may have other ideas perhaps stretching ourselves a little less. In any case I'm sure there are lots of you with the talent for the role, so put yourselves forward - it would be nice to actually have an election!"

Followed by Annual Awards Dinner at approx. 7:00 p.m.
